Is it an offence to drive with an expired drivers licence card?

While road safety has to be a priority for all South Africans, understanding your rights as a motorist on the roads is also important. Jakkie Olivier, the CEO of the Retail Motor Industry Organisation (RMI), says the topic of whether it is an offence to drive with an expired drivers licence card was recently raised by one of its members....

Kids need to be kept safe in cars

There's a lot of emphasis on buckling babies and toddlers into car seats, "and rightly so," says Dewald Ranft, Chairman of the Motor Industry Workshop Association (MIWA), "but keeping older children safe in our cars is just as important." MIWA is a proud association of the Retail Motor Industry Organisation (RMI) who's priority is road safety. "What we need to..."
